PROFESSIONAL SUMMARY

Enthusiastic and detail-oriented Digital Marketing professional with hands-on internship experience in SEO, content creation, and website content management for educational institutions. Skilled in writing SEO-optimized meta titles and descriptions, structuring web content, and managing content through CMS platforms to improve search visibility and engagement. Experienced in growing a YouTube channel through creative video content, managing Instagram and Facebook pages for brand engagement, and editing videos with a strong eye for storytelling. A fast learner who is eager to bring creativity, consistency, and a results-driven mindset to a growth-focused marketing team.

DIGITAL MARKETING SKILLS

SEO: On-page SEO, meta titles & meta descriptions, meta tags, URL optimization, keyword-based content structuring
Content: Website content writing, structured page content (course details, admissions, FAQs), blog article writing
Content Management: CMS-based website publishing, content uploads, SEO settings management (basic exposure)
Social & Digital Engagement: YouTube channel management & video content creation, Instagram page management, Facebook page management, creative content planning, audience engagement
Video Creation & Editing: YouTube content creation, video editing, short-form & long-form content, storytelling through video
Design & Tools: Canva (basic exposure), Google Colab, Jupyter Notebook
Supporting Technical Skills: HTML5, CSS3, JavaScript (basic exposure — useful for understanding website structure & content publishing)

DIGITAL MARKETING INTERNSHIP EXPERIENCE

Digital Marketing & Web Development Intern — SN Info System 6 Months

- Created structured, SEO-friendly website content for college websites, including introduction, course details, admission process, cutoff, placements, scholarships, facilities, gallery, reviews, and FAQs.
- Wrote SEO-optimized meta titles and meta descriptions to improve search engine visibility of educational institution pages.
- Uploaded and managed website content through SEO settings, including meta tags, location details, and URL optimization, to boost organic search performance.
- Collaborated on content strategy for multiple institution websites, ensuring consistent tone, structure, and SEO best practices.
- Gained hands-on experience in content management systems (CMS) and end-to-end SEO-based website publishing workflows.

CONTENT CREATION

YouTube Content Creator & Video Editor Ongoing

- Created and managed a [YouTube channel](#) focused on creative content, storytelling, and audience engagement.
- Planned, scripted, filmed, and edited video content — including short-form and long-form formats — for consistent channel growth.
- Applied video editing techniques to produce polished, engaging content aligned with audience interests and platform trends.
- Managed channel analytics, monitored audience performance metrics, and iterated on content strategy based on engagement data.

Instagram & Facebook Page Management Ongoing

- Managed [Instagram](#) and Facebook pages with a focus on content planning, posting schedules, and audience engagement.
- Created visually appealing posts using Canva and other tools, aligned with brand tone and digital marketing best practices.
- Monitored engagement metrics, responded to comments, and implemented strategies to grow followers and improve reach.
- Applied social media fundamentals — hashtag strategy, platform-specific content formatting, and community building — to boost organic visibility.

KEY DIGITAL MARKETING ACHIEVEMENTS

- Applied on-page SEO strategies — including optimized meta titles, meta descriptions, and keyword-rich content — to improve search engine rankings for institutional websites.
- Published SEO-based blog articles and college website content during internship, improving content visibility and organic search performance.
- Managed and grew a YouTube channel focused on creative video content creation and digital audience engagement.
- Managed Instagram and Facebook pages, implementing content strategies that improved organic reach and engagement.
- Contributed to event organization and community initiatives, strengthening collaboration and communication skills relevant to brand and campaign work.
- Actively participated in college cultural programs and stage performances, reflecting strong creative expression.
